

Be Creative @ Your Library Summer Program (SLP)

June 2009

1. This is your Be Creative @ Your Library reading calendar. Have your Mom, Dad, or caregiver initial each day you read or have been read to for **20** or more minutes. You may read more than 20 minutes each day, and we encourage you to do so, but you may only initial that one day. For example, you can not read for an hour on Monday and count that as reading 20 minutes for Monday, Tuesday, and Wednesday.
2. Please read library books. You do not need to read a required number of books to qualify for prizes in the program. You may read any library books you wish, as long as they are at your reading level.
3. Bring this calendar to the library when you've read 15 days and you will receive a T-shirt; when you have read 30 days, 45 days and 55 days bring the calendar in to receive additional prizes. Keep reading to see what you can earn!

*** You must be registered to attend programs with a star next to them. To sign up, call the Children's Room at 626-7998. See the back of your calendar for more information.
